PROFILE

I'm Arbaaz, a passionate Graphic and UI/UX Designer with over 4.5 years of experience in brand identity and digital design. I love creating clean, modern, and user-focused designs that connect visuals with functionality. **Highly skilled in Figma, Illustrator, Photoshop, and Premiere Pro**, I aim to design experiences that are both creative and purposeful.

WORK EXPERIENCE

4.5 YEARS WORK EXPERIENCE

Swiftams (Since 3 years)

JUNE 2022 - PRESENT

Graphic Designer & UI/UX Specialist

- Spearheaded the design of all social media assets, contributing to **30% growth in audience engagement** while maintaining **100% brand consistency**.
- Led **UI/UX design** for **key web and CRM products**, introducing user-centric workflows that **reduced user errors and support tickets by 15%**.

Edu Finn (Freelancing)

2024 - 2025

Graphic Designer (Contract)

- Designed **print collateral** (standees, brochures) for consulting events.
- Created **high-impact video content** (shorts/reels) for **digital brand presence**.
- Developed visuals tailored specifically for the **education consulting sector**, driving clarity and trust in the international market.

Digitalcappuccino

2022 - 2023

Marketing Team Creative Designer

- Developed and managed a 6-month creative content calendar that resulted in increased brand presence.
- Created and deployed no-code marketing websites and promotional landing pages.
